

## **Research Studentships – Bursary £16,000, plus fees**

Fellowships are available to undertake full time MPhil/PhD research degrees in the Cities Institute. Subject areas are as follows, linked to funded research projects.

- Accessible Transport & Public Realm
- Cultural Planning and Regeneration
- Density and Mixed Use Development
- Local Economic Development & Ethnic Minority Enterprise
- Youth Homelessness

For further information please see our website: [www.citiesinstitute.org](http://www.citiesinstitute.org)

Applicants should have good first degree in a social science or equivalent subject, with preference for a relevant masters degree and/or work experience. Support for training in research methods is provided through our MRes scheme. Informal enquiries: [j.foord@londonmet.ac.uk](mailto:j.foord@londonmet.ac.uk)

Application forms are available from:
